YOUR WEDDING, YOUR WAY

WELCOME

Congratulations on your engagement!

It can be super daunting trying to figure out how to start planning your wedding, but it's vital to book in your photographer as early as you can!

Here at E Creative Photography, the priority is capturing your special day and get the photos and memories that you want!

WHAT'S ON OFFER

Together, we can come up with your dream photo list, what style you love and important photos you simply **MUST** have. As a 2022 bride, I understand how important photos are to remember every moment of your big day!

As well as the three packages, we can work together to cherry-pick what matters most to you & customise where needed to give you the best wedding day momentos!
